

To expedite cleanup of the expected increase in solid waste or debris caused by Hurricane Irene, municipalities that anticipate using unlicensed hauling vehicles to transport this material should request temporary authorization from the Department to use an unregistered vehicle for waste transport.

This should be done by Friday, August 26, or as soon as possible. The municipality should download a copy of the "Form to Request a Temporary Transporter Registration" from the Department's website at <http://www.nj.gov/dep/dshw/resource/forms.htm>, fill in the required information, and then fax the completed form back to the Department at (609) 292-4539.

Alternatively, they can contact the Department's solid waste enforcement program at (609) 984-3285 for receive a copy of the referenced form.
